

Are You **READY!**

Electricity lights up our world!

Think of all the ways we rely on electricity: keeping food fresh, cooking meals, and getting information through the internet or TV. It keeps us warm in the winter, cool in the summer, and connected with each other year round. Oftentimes, we use electricity to play and have fun! Are you and your family ready if disaster strikes and your home is without power?

would
at night
power?

Help your family build an emergency kit! Collect these items and keep them together in a safe place that you can find easily. Make sure you have enough supplies to last for at least **three days**.
